Grade 3,4 and 5 Clubs

Dear Grade 3, 4 and 5 Families,

At this time of the year, we are extending opportunities to interested students in grades 3, 4 and 5 to participate in lunch hour clubs. It is our belief that extracurricular activities will allow children to explore areas of interest and help to enrich their school experience. A list of the clubs that we are offering can be found on the reverse of this page. Unless otherwise noted, clubs will run from 11:30am-12:14pm (the lunch break) for 6 dates between October 6 and October 30. In recent years, clubs were scheduled for February through April, but last year a decision was made that this year, we would trial alternate timing for 2025-26 to allow for potential use of the outdoors for any club, and to avoid other school happenings (such as report card generation, K-3 Provincial Assessment work, etc.). Note that grade 1-2 clubs will be offered in May, with signup happening in April. Each student is able to choose from a variety of educational, creative, sporting and recreational activities. We encourage you to review the club options with your child or children, and we welcome them to sign up and return this form if they are interested in participating. We also want students to understand their commitment to a club, and we encourage parents to discuss this commitment with your child.

Selection Process

Students who have expressed interest and whose parents have sent the club forms back will be selected on a ***first come, first served basis***. We endeavour to accommodate the needs and interest of all students, but please realize that some clubs may fill very quickly. Please review and complete the back of this sheet to request certain clubs, and if your child is looking to participate in a club, return it to school as soon as possible. Forms will then be sent back home within a day or two, so that you can see which club your child has been admitted into (this will be indicated by one of the choices being highlighted by the office).

Thank you for encouraging your child to explore their interests; we look forward to seeing them in action!

Sincerely,

The Banff Trail School Team

----- Please return this form to your child's teacher by **October 1, 2025.** -----

Child's Name: _____ Teacher Name and Room Number: _____

I give permission for my child to be considered for the following clubs he/she has chosen.
