Principal's Report:

Martin Poirier report

personal attachment to the school from the past
issue at hand is a enrollment in banting and best
need to be at 85% of capacity

pressure from the city

172 students enrolled currently

gave a presentation on stats across different schools

60% are attending B&B (out of the area)

30% roughly at Catholic school 10% other areas of schooling

projections are looking stable for 2023 to 2027 of around 170 to 175

Bringing in kids from Sherwood school grade four students

conversations are being held on many fronts on programs here or at other schools

market share of B&B

look at hiring a survey firm for Calgary

it went from just Sherwood and B&B to the entire CBE

fall and spring next year for consultations

two to three years before any decisions to be made

Martin believes it is a great school (B&B)

Question and answer

-Jess good to hear the optimism from Martin

need to be planned properly for the future

immigration is a driving force in the population booms in Calgary lots of extra families

Amanda-cap at 175?

Kim- cap is 175 for now

Martin needs to check on that

250 is the Max number of students for banting and best

175 minimum students required

June 2024 is a possible date for a decision on the school

then engagement begins

alternative programs for sure would possible

selection made by July 2023

thank immunity consultation begins, generational families, then seniors moving out with young families coming in
the green line will cause a boom as well lots of change in the next 10 years
fall 2023 more engagement to be done
council thanks Martin Poirier for attending and his report
