Banff Trail School Admirable Use Policy

2026 – 2027 School Year

At Banff Trail School we will help ensure the safety of all students by following the three principles of respect when working with educational technology. This will allow students to use digital information and technology resources in a responsible way:

1. **Respect Yourself**
   - Keep your CBE account passwords and other personal information private.
   - Tell your teacher if something on an electronic device makes you feel uncomfortable or is inappropriate.
   - Caring for a personally owned device is the responsibility of the owner.

2. **Respect Others**
   - Use appropriate language and communicate respectfully at all times.
   - Respect the property and the creative work of others.
   - Respect the rights of other people and ask for permission to record or post anything about them.
   - Protect and respect the personal information of others.
   - Use your time responsibly when using technology for learning.

3. **Respect this Place**
   - Maintain equipment so that it is ready to be used by others.
   - In the school environment, use technology that supports learning and do so according to your teacher's instructions.
   - Report any problems with technology equipment as soon as you see them.

Respecting the Calgary Board of Education and Banff Trail School Policy

If you do not follow this policy, it may result in one or more of the following consequences:

- Letter home or conversation with parents
- Restriction or loss of computer privileges; and/or
- School-based disciplinary consequences

Depending on the severity of inappropriate use, consequences will be determined by staff and the administrative team. Parents/Guardians will be notified. This Admirable Use Policy complements a number of Calgary Board of Education Administrative Regulations, including: AR1062 - Acceptable Use of Electronic Information Resources, AR6047 – Vandalism and Damage to School Property, AR6005 – Student Code of Conduct, and AR6006 – Progressive Student Discipline, and AR6008 – Student Personal Mobile Devices.
